ABOUT US

PPCo is the premier contracting company in the Kingdom of Saudi Arabia, renowned for our unwavering commitment to excellence since our establishment in 2006. With a steadfast dedication to quality and innovation, we have emerged as industry leaders, setting new standards in construction and engineering across the Kingdom. Our impressive track record includes over 250 successful projects valued at over 3 billion Riyals, solidifying our position as a verified and qualified government contractor (Class 1). We take pride in our integrated management system, aligned with ISO standards, ensuring the highest levels of quality, health, safety, and environmental compliance.

At PPCo, we bring your vision to life with our extensive experience, skilled workforce, and advanced technology. Our commitment to delivering exceptional results, on time and within budget, is the cornerstone of our success. With our customer-centric approach and a focus on exceeding expectations, we build strong foundations for success and foster long-term partnerships. Let us be your preferred choice for all your construction and engineering requirements in Saudi Arabia, and together, we will create remarkable projects that stand the test of time.

OUR MISSION

Our mission is to consistently deliver high-quality, cost-effective projects on schedule, driven by motivated and focused teams. We prioritize nurturing strong relationships with employees, clients, vendors, and partners, remaining fair and true in all dealings. Our clients rely on our dependability, drive, and integrity, traits we take immense pride in and strive to enhance every day.

OUR CORE VALUES

Commitment to Excellence:

PPCo is dedicated to delivering high-quality, cost-effective projects on schedule, driven by motivated and focused teams. We take great pride in our accomplishments and strive for continuous improvement.

Safety First:

PPCo prioritizes the health, safety, and well-being of its workforce, clients, and the community. We are passionate about fostering a strong safety culture and making a significant impact on safety within our projects.

Integrity and Transparency:

PPCo values honesty, fairness, and integrity in all dealings with employees, clients, vendors, and partners. We are committed to being responsive to clients requirements and maintaining open communication channels.

Client Partnership:

PPCo seeks long-term partnerships with clients, emphasizing service excellence and responsiveness to their needs. We prioritize nurturing strong relationships built on trust, mutual respect, and collaboration.

Environmental Stewardship:

PPCo is committed to minimizing its environmental impact and promoting sustainability in its operations. We adhere to all relevant environmental regulations and strive to implement best practices to protect the environment.

QUALITY AND SAFETY

Safety and quality are non-negotiable at PPCo. Our commitment to excellence is reflected in our rigorous adherence to international standards, ensuring the well-being of our workforce and the communities we serve.

PPCo. has implemented an Integrated Management System (IMS) that adheres to the latest edition of international standards, including ISO 45001:2018 for health and safety management systems. Our commitment to excellence is reflected in our comprehensive IMS, which integrates these key standards to ensure the highest levels of quality, safety, and customer satisfaction across all our operations. By aligning with these internationally recognized standards, we continuously improve our processes, mitigate risks, and deliver exceptional results to our valued clients.
